Please accept my humble obeisances. All glories to Srila Prabhupada!

This has never happened before: Chowpatti is the No. 1 temple in India and the No. 2 temple worldwide (just behind Los Angeles, which is always up there in the charts). The Chowpatti temple did 32,952 book points in September, and the Los Angeles temple did a whooping 40,949 book points.

Look out, Europe! New Mayapur (France) is moving up in the competition. It was No. 4 among the European temples, with 1,771 book points. Janananda Goswami has a new team of fired-up book distributors, and he also goes out with as many devotees as possible. What an example!
